Chair Dafydd Lewis Scholarship Trustees

I am very pleased to be involved with the Dafydd Lewis Trust. The value of education cannot be denied, and the calibre of our scholarship awardees again this year furthers the vision of Dafydd Lewis.

In introducing myself, I am currently the CEO of the Royal Flying Doctor Service in Victoria, and have held senior leadership positions in the private, public and not for profit sectors over many years.

I believe that everyone has the capability to achieve. And it is the opportunity to do so through higher education that the trustees celebrate with all scholarship awardees.

I also believe that everyone has the capacity to give back to society, and alongside my professional career, I have always enjoyed the opportunities to be involved in voluntary positions across a wide spectrum in whatever capacity I am able. I am currently involved as Chairman, Dousta Galla Aged Services, Chairman Western Melbourne Tourism, and on the boards of Cottage By The Sea Children's camp and Awards Victoria.

I look forward to my time with the Trust in fulfilling the ambitions of Dafydd Lewis and those of all of our scholarship recipients.

MENTORING

We are calling all Alumni to register their interest to be mentors for 2022 to support the scholars to succeed!

The Dafydd Lewis Trust was established in 1943 by a businessman who believed in education and hard work. He created a charitable trust to give future generations of young men the benefit of a university education.

The Dafydd Lewis Trust provides equity and merit-based scholarships of \$10,000 a year for 3 years to young men who might not have otherwise received a University education due to the limited financial resources of their parents. Multiple scholarships are awarded every year for full-time undergraduate degrees in most courses at any university in Victoria.
